

Directions for Completing Clearance Forms

Read Carefully! Anyone over 18 must have these clearances. Please do again even if you have done this in the past. **We are getting visited by ACA this summer so we need to have updated clearance forms.** Mail them to us and we will pay to process them. If you want to process them yourself, you can but you have to send a money order for each. We will need you to mail us a copy of your processed forms when you receive them from the state. Thanks.
